

Echo Lake Inn

“At The Threshold Of Echo Lake In The Heart Of Central Vermont’s Mountain Lakes Region”

The Echo Lake Inn is the ideal setting for a traditional country wedding. The character and charm of yesterday, uniquely decorated rooms and the feeling of romance everywhere. The white steepled church just across the lane from the Echo lake Inn adds to the charm of this delightful wedding setting.

Located in Vermont’s beautiful central lakes region, the Echo Lake Inn was built in 1840 as a Victorian summer hotel. Today it remains one of the few authentic country inns operating in Vermont. The Inn’s rich heritage includes frequent visits by President Calvin Coolidge, Henry Ford, Thomas Edison and many other historic figures.

Every year the Echo Lake Inn hosts many weddings, banquets and other important functions. The Inn’s experienced catering staff provide a level of service and attention to every detail that is well know throughout the area.

Located on the attractive grounds, the Inn offers 23 rooms (some with fireplace and Jacuzzi) and 8 condominiums, swimming pool, tennis, oversized Jacuzzi and a dock on Echo Lake with canoes and row boats. The restaurant, recently featured in Gourmet and Bon Appetit magazines, is well known for the excellent food and service provided by Chef Kevin and his staff.

With thirty years of experience in the hotel and catering business, the innkeepers are ready to assist you in every way possible. Our weddings are tailored to the desires of the Bride and Groom, leaving all the important details in our experienced hands. We would be delighted to work with you to customize the wedding of your dreams.
